ORDER and PERMIT

Aviari Services, LLC
a wholly owned subsidiary of Uber Technologies, Inc

AVNC PERMIT 004
Docket 26-07015

The Nevada Transportation Authority ("Authority") finds that Aviari Services, LLC a wholly owned subsidiary of Uber Technologies, Inc has complied with the Authority's September 22, 2026, Compliance Order, which is incorporated herein by reference, and is authorized to operate as an autonomous vehicle network company pursuant to NRS 706B.130(2)(a). This permit authorizes Aviari Services, LLC a wholly owned subsidiary of Uber Technologies, Inc to connect passengers with fully autonomous vehicles through a dispatch center, software application, or other digital means, but does not authorize activities regulated under NRS Chapters 706 or 706A.

IT IS ORDERED THAT Aviari Services, LLC a wholly owned subsidiary of Uber Technologies, Inc is hereby granted this permit identified as AVNC PERMIT 004, as evidence of the authority of the holder to engage in operations as an autonomous vehicle network company, subject to chapter 706B of NRS, chapter 706B of NAC, the rules, regulations and orders of the Authority, and such terms, conditions and limitations as are now or may hereafter be attached to the exercise of the privileges herein granted.

IT IS FURTHER ORDERED THAT nothing contained herein shall be construed to be either a franchise or irrevocable and that failure to comply with rules, regulations and orders of the Authority and applicable statutory provisions shall constitute sufficient grounds for suspension or revocation of this permit.

IT IS FURTHER ORDERED THAT this permit confers no property right in the holder, or this authority granted herein shall not be sold or transferred without the prior approval of the Authority, pursuant to NAC706B.300(1)(b).

IT IS FURTHER ORDERED THAT the service authorized under this Permit is as follows:

SERVICE: To operate as an autonomous vehicle network company using a digital network or software application to connect passengers with fully autonomous vehicles for transportation services for compensation within the State of Nevada.

RESTRICTIONS: Pursuant to NAC 706B.310(2), the holder shall not utilize more than one thousand (1,000) fully autonomous vehicles, cumulatively, during the first twelve (12) months following issuance of this Permit.

Operations are limited to the operational design domain approved in the Authority's September 22, 2026, Compliance Order, as defined in NRS 482A.046. Any proposed modification requires prior written notification to the Authority, including updated geofence maps and operational parameters, and shall not be implemented until the notification is entered into the Authority's records. The holder shall provide the Authority with, and continuously maintain, a designated contact and telephone number available to law enforcement and emergency responders twenty-four (24) hours a day, seven (7) days a week.

IT IS FURTHER ORDERED that the Authority retains jurisdiction for the purpose of correcting any errors which may have occurred in the drafting or issuance of this Order and Permit.

By the Authority,

Vaughn Hartung, Chairman
